"Please notice the last column highlighted is the status of the case. If you need further information or details please contact us and we will do our best to get it to you. Also if you have some comments or criticism on the structure of this report we are open to receive that. Ultimately we are looking for compliance on these properties and if owners communicate that with us in the time period given on the notice then they're may be exceptions granted due to those hardships. All notices and orders are served per the 2018 international property maintenance code as adopted by the City."
